Dear Patrick,

Re: Amanda's Sweet 16th Birthday.

I am writing to thank you for the enormous contribution that, Matthew, Isabelle and especially yourself made to making Amanda's wish of a Sweet 16th Birthday Party come true.

At Starlight we always try to go above and beyond what the child has originally wished for and I knew that a disco and cake wasn't going to make the grade. I needed this party to be spectacular and as you know I was having a great deal of difficulty working out how to involve everyone of all ages at the party. That was until I thought of your casino. From the moment I spoke with you, I knew that I was leaving this aspect of the party in very capable hands and I was truly grateful for your help and guidance.

On the night itself, you all did such a brilliant job of entertaining everyone – especially me. I rather love Blackjack! I certainly appreciate that a group of 16 year olds is not your average crowd, but still you managed exceedingly well and the kids had a terrific time. Everyone from the older groups to the youngest of the children felt involved and that is exactly what I was hoping for.

Without this kind of support we simply cannot provide wishes that change children's lives. Your wonderful staff went out of their way to make Amanda's wish special and I am very grateful for their kindness, thoughtfulness and generosity. The party would never have been the same without you all.

Starlight has never said no to a child's wish and because of The Funtastic Casino's help – I was able to make this one spectacular. Thank you.

Yours sincerely,
