Hi Patrick,

Thankyou so much for last night, no worries about the start time, I think 8 oclock ish was better in the end, the guests had no idea it was meant to be anything different! They seemed to really enjoy themselves and I had lots of comments about how approachable and fun you all were.

We will definately be booking you again at some point, we now have 3 ball type events a year sept, jan and may so will be in touch!

I hope you had a good journey home and that you enjoyed your night, I've never seem cards shuffled so fast!!

Many thanks again

Ruth (el presidente hehe)
